Metropolitan ENT & Facial Plastic Surgery

IYAD S. SAIDI, MD, PHD; RAVI S. SWAMY, MD, MPH; and COURTNEY C. RAIZMAN, MD

Dr. Iyad Saidi, Dr. Ravi Swamy and Dr. Courtney Raizman are honored to be included in the Washingtonian Top Doctor Class of 2019. Dr. Saidi has an engineering background and has recently developed new minimally invasive instruments to help patients who suffer from nasal obstruction. Dr. Swamy completed his training in Otolaryngology and Facial Plastic Surgery at Stanford University, where he authored numerous publications on rhinoplasty and rhinology. Dr. Raizman attended Georgetown University for medical school and residency. She has special interest in taking care of pediatric patients with ENT related issues.

Our doctors have worked diligently to build a practice predicated on exceeding each patient's expectations by providing personalized and compassionate care. They are committed to providing the best possible results while treating each patient with the utmost respect, attentiveness, and dignity.

The practice offers state-of-the-art procedures and a wide range of services including sinus care, allergy, audiology, snoring, sleep disorders and facial cosmetic services.

This year we are proud to announce the addition of our Fyzical Therapy and Balance center. The center specializes in Vestibular Rehabilitation, Dizziness & Fall prevention. We are excited about the opportunity to further care for our patients who experience issues with balance.
