Dr. Ravi Swamy is proud to be a part of the distinguished group of physicians in the *Washingtonian* Top Doctor Class of 2016. Dr. Swamy completed his training in Otolaryngology and Facial Plastic Surgery at Stanford University Medical Center, where he authored numerous publications on rhinoplasty and rhinology.

Upon joining Metropolitan ENT, Dr. Swamy has worked diligently building a practice predicated on exceeding each patient's expectations by providing personalized and compassionate care. He is committed to providing the best possible results while treating each patient with the utmost respect, attentiveness, and dignity.

The practice offers state of the art procedures and a wide range of services including sinus care, allergy, audiology, snoring, sleep, disorders and facial cosmetic services. Dr. Swamy and his partners understand the needs of their patients and work hard to make sure their physicians and staff are available to see them on short notice.

ONCOLOGY/HEMATOLOGY OF LOUDOUN & RESTON

Dr. Rajendra, Dr. Moraes, Dr. Firestone, Dr. White

The physicians and staff of Oncology/Hematology of Loudoun and Reston provide cancer patients with caring, compassionate, treatment. Dr. Rangappa Rajendra trained in medical oncology and hematology at Washington Hospital Center, and founded the practice in 1997. Dr. Manoel Moraes completed his hem/onc fellowship at the Cleveland Clinic. Dr. Mei Firestone trained at Georgetown, with a concentration in breast cancer. Dr. Jeffrey White, a distinguished cancer researcher, trained at Washington Hospital Center. Our board certified physicians treat all types of cancers, in particular breast, colorectal, lung, and gynecological cancers, and lymphomas.

SPECIALIZATION

Chemotherapy, hormonal therapy, targeted therapy, biological therapy, personalized cancer care
