

Metropolitan ENT & Facial Plastic Surgery

Self Pay Fee Schedule

Fees listed below apply to self pay services and may change without notice. Insurance contracted rates may differ. Additional services, supplies, or procedures performed during your visit may result in additional charges.

Office Visit Cap

Self pay office visits, including evaluation and minor in office procedures performed during the same visit, are capped at **\$350**. This cap does not apply to specialized testing, allergy services, audiology services, immune testing, vaccines, or procedures scheduled separately. Fees for services not subject to the visit cap will be disclosed prior to treatment whenever possible.

Office Visits
